Supervisor Antonovich made the following statement:

“The County of Riverside recently adopted an ordinance regarding the release of registered sex offenders. The ordinance conveys the County’s frustration for the State’s insufficient supervision of registered sex offenders. One aspect of this failure by the State stems from lack of funds appropriated by the Legislature to place paroled high-risk sex offenders on an intensive and specialized supervision caseload as required under Penal Code Section 3005.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried, the Executive Officer of the Board was instructed to send a five-signature letter to Governor Schwarzenegger and the State Legislature requesting that they appropriate the necessary funding for the adequate monitoring and supervision of sex offenders.
